

NAIIS Activity report for project NAISS 2025/22-95

- Author: Richel Bilderbeek

The project has been used to teach 4 iterations of the NAISS ‘Intro to Python’ course, with 48 learners in total.

The course achieves 82-%95% of all its learning outcomes, as is concluded from the results of anonymous evaluations. All evaluations can be found at  
[https://uppmx.github.io/naiss\\_intro\\_python/evaluations/](https://uppmx.github.io/naiss_intro_python/evaluations/).
